MIKE SETH JOINS FIRST WAVE SPORTS AS INTERMEDIARY

First Wave Sports is excited to welcome a new registered intermediary to its growing ranks - Mike Seth. Mr. Seth comes to First Wave Sports with strong experience and connections in the game, having enjoyed a successful playing career spanning a decade in the USL. This included stints with the Pittsburgh Riverhounds, Colorado Springs Switchbacks, San Antonio FC, and Phoenix Rising FC. Prior to joining First Wave Sports as an intermediary, Mike was a player client of FWSI's President, Stefani Miglioranzi.

"We are thrilled to add Mike to our growing team of intermediaries," said Miglioranzi. "I have had the opportunity to work with Mike in the agent-client relationship for some time, and through that experience have come to know him as an intelligent, capable individual with exceptional knowledge of the game. More importantly, Mike is an individual of utmost honesty and integrity, which is key to who we are at First Wave Sports. He will be a valuable addition to our team."

"I am very excited to have the opportunity to join First Wave Sports," said Seth. "Stefani and his team have built a reputation for an unyielding focus on putting players first, which I experienced as a client. As I move into the next stage of my career as an intermediary, this is the sort of organization that I want to align myself with."

First Wave Sports was originally founded in the UK over 30 years ago, and currently has multiple administrative and agency offices in various cities in the United States. The company was recently reorganized and relaunched with a new ownership group and with a refocused energy on providing holistic services to players.
